

6 December 2021

Dear Parent/Carers

Unfortunately, since 30<sup>th</sup> November we have had a further 8 positive COVID cases – 3 staff and 5 pupils – of which 7 are in Acorns and 1 in Oaks.

We have already let close contacts of the positive cases know and we have advised them to take a PCR test where appropriate.

We continue to work closely with Public Health England and are continuing with our enhanced measures.

Considering the number of cases that we continue to experience at school, we have made the difficult decision to cancel our 'Carols by Candlelight' event due to take place on Thursday, 9th December. We did discuss this decision with Public Health and decided that we did not want to risk any transmission through large groups mixing, that the event may have facilitated.

Please contact a member of the senior leadership team at school if you want to discuss any issues or alternatively email [parentsupport@forestway.leics.sch.uk](mailto:parentsupport@forestway.leics.sch.uk).

Yours faithfully

Gail Seaton  
Headteacher
