Dear Parent/Carers

I am delighted to inform you that the outcome of our 2-day Ofsted Inspection in December is that we continue to be an outstanding school.

“Children and young people flourish at Forest Way. Leaders and staff put no limits on what they wish pupils to achieve.”

This is a fantastic reflection, not only of the hard work of our staff, but also the ways in which our families engage with us. We all put the children and young people at the centre of everything we do, and I am pleased that their attitudes to school have been included.

“Pupils’ highly positive attitudes to their education are a credit to the school.”

Please see the full report attached. I am particularly proud that in spite of the challenges we have been facing, it has been recognised that we continue to provide the highest quality education.

Thank you for your continued support.

Best wishes
