Welcome Back

Hi Everyone

I would like to welcome you all back to school! We are especially pleased to see our new starters and the students from Ashby Hastings. We have had a very successful start to the term and I would like to thank you all for the part you have played in helping to settle your son/daughter into their new classes..

We started our new timetable this week and you should have received a copy of this. Contact the class teacher if you want to discuss this.

We are looking to restart after-school clubs in the next couple of weeks and we are currently planning for this. We will send out a letter with the offer as soon as we can. Unfortunately our quest to find a provider to run a daily late club was unsuccessful but we will keep trying. Many of our staff also work as PA's so this does tend to limit their availability too. Sadly this means that we are unable to accommodate routine pick up after 3.45pm.

Please see the key dates for this half term and I hope to meet as many of you as possible then.

Gail
