Forest Way School Garden

April 2021

Dear Everyone

As spring is approaching there are lots of jobs to do in the garden such as preparing the soil ready for planting vegetables. The garden will need a very good tidy up ready for the warmer weather.

Are you all willing to help?

What is *growing* on this month?

This month is a perfect month to start our gardening season. Some fruits and vegetables are already growing in our garden. Such as onions, strawberries, herbs and many more.

Gardening fact!

Did you know that courgettes are a fruit and banana plants are a herb?

Activities

Our magic rabbit 'Barak O'Bunny' has lost **10** of his magic easter eggs. Can you help him find them after Easter by taking a photograph of each one and letting Cam know. Thanks bunny!

Competition Time!

Each class will be given 3 sunflower seeds ready to grow. Choose the best one to grow outside. Who is going to be this year's winner?

Recipe Corner

April is a good month for rhubarb as the first leaves start appearing.

There are lots of things you can make with rhubarb, including a yummy dessert!

Why not try making my new rhubarb crumble recipe ?
