

Our

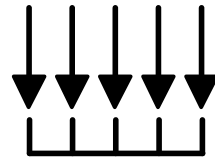

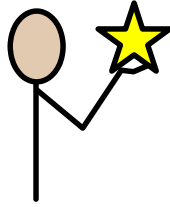

Safeguarding

Policy

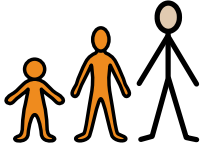

at Forest Way School

It is important

all

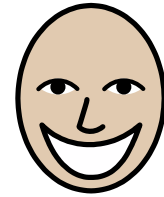

young people

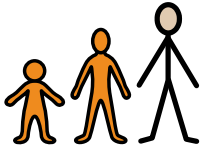

are

safe

and

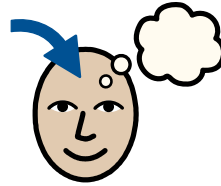

happy.

young people

can

learn

and be

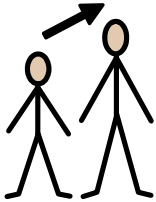

cared for.

to have rights.

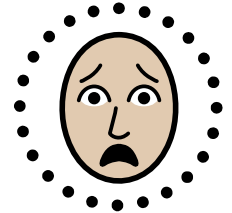

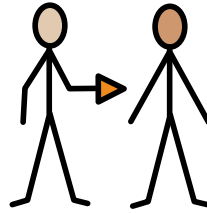

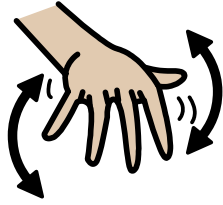

to be safe online.

to grow up into a confident and healthy

person.

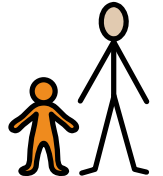

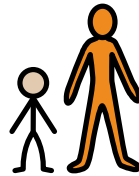

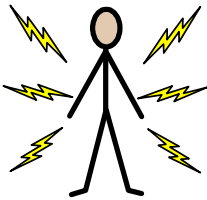

What

might

make

you

feel unsafe

Being

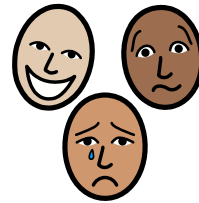

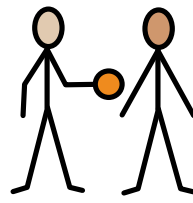

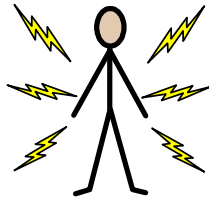

hurt

by an

adult

or another

child.

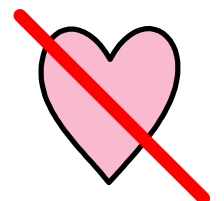

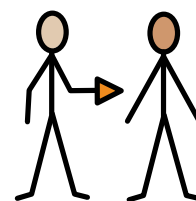

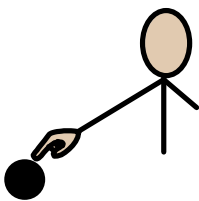

If someone

hurts

your

feelings.

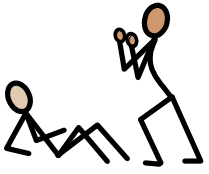

Being

touched

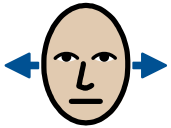

in a way that

you

do not like.

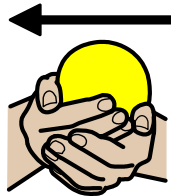

Bullying.

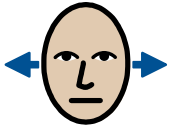

Not

being

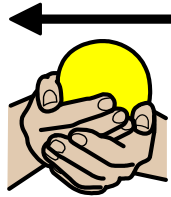

cared for.

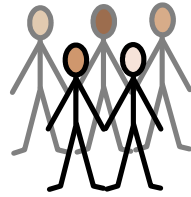

Not

being

looked after

by

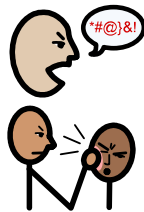

people

at

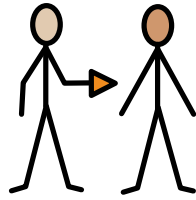

home.

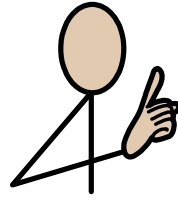

**This is abuse.**

What

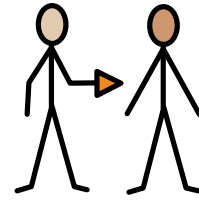

you

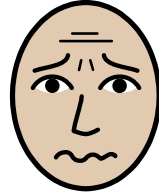

should

do if

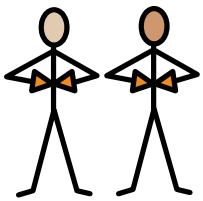

you

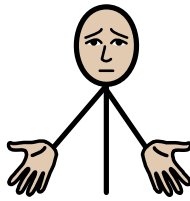

are

worried.

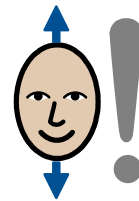

We

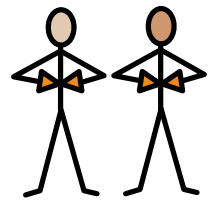

need

to make

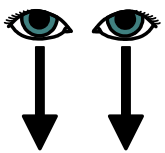

sure

that

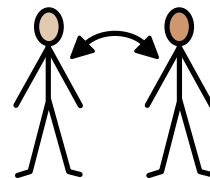

we

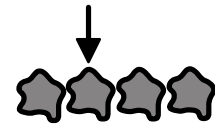

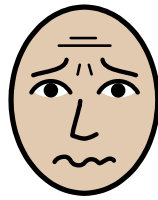

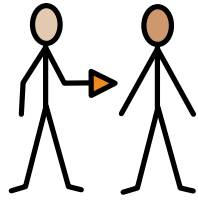

look

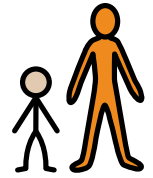

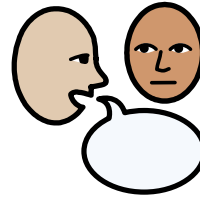

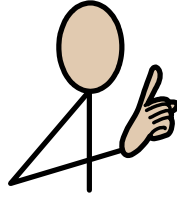

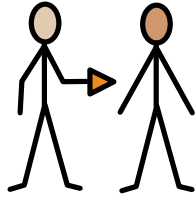

out for

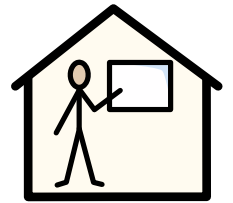

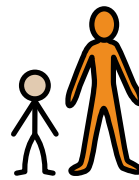

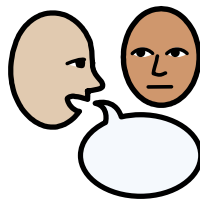

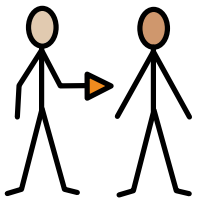

each other.

If you are worried about something or

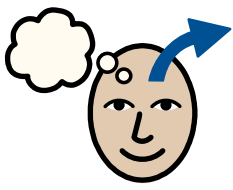

someone you must tell an adult.

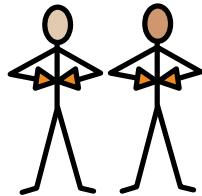

You can tell any adult at school

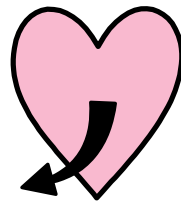

or at home.

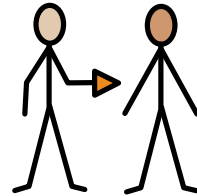

Remember

we

want

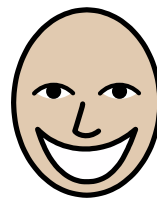

you

to be

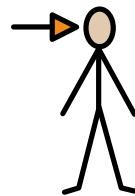

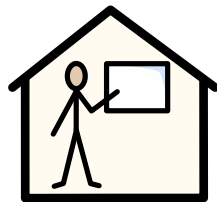

safe

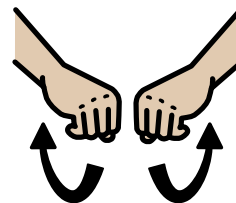

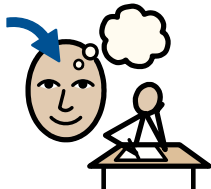

and happy.

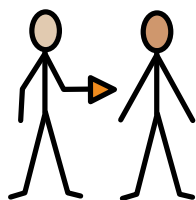

There are people in school who

have had special training to try and

help you to feel safe.
